

Nomination to the Committee 2020/2021

We are requesting nominations from members willing to put themselves forward for election to join SMU3A Committee 2020/2021. A strong committee should deliver good governance and fresh ideas.

All members of the existing committee must stand down at the AGM. It should be noted that the length of service permitted for serving on the committee is being reached (and in instances already exceeded). If necessary, some of the existing committee will agree to stand for another year should no nominations be received but this will need to be agreed at the AGM. 'Executive officer' positions must be filled to meet legal requirements.

The nomination and election of members of the Committee is governed by the current SMU3A Constitution and The Trust Standing Orders. Executive officer positions (Chair, Vice Chair, Treasurer and Secretary) and other roles are agreed by the new committee at the first committee meeting following the AGM. Nominations must be proposed and seconded by current members of SMU3A **who are not themselves members of the committee.**

The nomination form can be found on the website and below. Nominations must be received by the Secretary by **Thursday, 9 July.**

For further information, you are welcome to contact any committee member.

Our constitution document can be viewed on the SMU3A website and will provide details of our charitable status and the aims of the U3A. Please log on to the National U3A site www.u3a.org.uk to find specific information regarding Committee responsibilities.

We have just over 140 members, who enjoy the many and various groups, activities and outings which are available throughout the year. **Please do consider standing.** You will find the committee to be helpful and welcoming and will also ensure that SMU3A continues to thrive and grow for the benefit of us all. Thank you.
