

## **GROUP NEWS 2020**

We currently have 26 thriving groups having added 3 new groups during the year: French Conversation, Short Tennis and Photography (who only managed one meeting before lockdown!)

We have said goodbye to Pat Howell who has led the Needlecraft group for 9 years and Di Gommo who has relinquished her seat on the Scrabble board having been leader for longer than she cares to remember. Our grateful thanks to both ladies.

Unfortunately, no groups are meeting at present due to the pandemic, together with instruction from U3A National Office who have said that no groups or activities should take place until further notice. It seems unlikely that any groups/activities will resume before the end of the year. However, many of our groups have been keeping in touch during lockdown either virtually, by e-mail or good old-fashioned phone calls.

If any of you have any ideas for new groups following new instruction from National Office, do get in touch, we would love to hear from you.
