

Personal Member Checklist (to be completed
once only at 1st attendance of group/ meeting)

Name of Group.

Shepton Mallet u3a Covid 19 Safety Protocol

Members attending groups/activities should consider the following at each and every attendance

- Not attend the meeting if I have any symptoms of Covid-19
- If I have had Covid-19 symptoms, I will only attend a meeting if I have had a negative test result and have not had Covid 19 symptoms in the last 10 days.
- Not been in close contact with anyone with Covid-19 symptoms in the last 10 days.
- If returning from a foreign country, followed quarantine rules.
- To inform the Group leader should I become symptomatic within 48 hours of the activity and give my permission for him/her to inform other attendees.
- Understand that if I develop symptoms, I should apply for a COVID-19 test, and follow the guidance.
- Read the instructions given in the Risk Assessment provided by the event/group leader for the venue I am attending and agree to support them.
- Understand that despite the rigour of the Covid Secure procedures, there is still an unknown risk in attending face-to-face classes and agree to attend meetings at my own risk.
- Agree to this declaration being held on file by Group Leader
