

GROUP NEWS 2022

We currently have 21 thriving groups having lost the Bowls, Ukulele, and Writing for Pleasure Groups during the year. Many thanks to Frank Booth, John Smith, Ray Smith and Kevin Hoole for all that you have done leading these groups.

As Covid restrictions permitted, some groups have started to meet but understandably, some people do not wish to socialise as much as they did previously. This is a common factor experienced by all country-wide U3As.

Please look at the list of groups in the Newsletter and try to support them by joining some of the newer groups or perhaps starting a new group that might attract our U3A members.

If any of you have any ideas for new groups, do get in touch. We would love to hear from you.
